## The contents of the game

This game software is a fantastic shooting game of a horizontal scrolling type.

Play the game as Cotton who loves eating very much, and complete all seven stages.

Silk, a fairy is also available as an option.

When you complete each stage, you can see some pictures of Cotton.

## How to Operate the Game

- Joystick Move Cotton or select an item in Option Screen.
- A button Use this button to fire a shot. To use Magic, release a button after holding it. This button is also used to confirm a selected item in Title or Option Screen.
- B button Use this button to launch a bomb.
- Option button Use this button to start or pause the game. This button is also used to confirm a selected item in the menu of Title Screen.

## How to start the game

In Title Screen, move up or down the cursor by using Joystick and press A button to select an item.

### GAME START

Game starts.

### OPTION

You can change the level of difficulty. You can also select various options here.

## How to see the game screen

1. Remaining lives
2. Score of the current player
3. Cotton
4. Experience gauge
5. Current shooting level
6. Magic stock

## Option

You can change various settings in the game. To select an item, move up or down the cursor. To change an option, press Joystick to the right or left. To return to the Title Screen, select "exit" and press Option button, or press A button.

### LEFT

You can change the number of remaining lives.

### SOUND TEST

You can check sounds here.

### RANKING

A ranking list is shown.

### VISUAL

It shows demonstrations between stages.

# How to play the game

## ● Rule of the game

Take a control of Cotton and complete all seven stages.

You complete a stage when you defeat a boss character.

You will lose a life if you are shot or collided by enemies.

When you used up all lives, the game is over.

If there is a remaining credit, "CONTINUE?" is displayed. Press Option button to continue the game.

If there is no remaining credit or timer expires, the game ends.

## ● Shooting

Press A button to fire a shot.

## ● Bomb

Press B button to launch a bomb (ground attack).

## ● Item

### Bomb item

If you beat enemies, a bomb item sometimes appears during a game. Collect the bomb item to increase the bomb power.

## Crystal

If you beat enemies, a crystal sometimes appears during a game. If you get yellow crystal, your experience point increases. When the experience level reaches to a certain level, your shooting level is upgraded. Experience level can also obtained by beating enemies.

If you shoot a crystal, the color changes.

If you get a red crystal, Magic Stock (red) increases by one.

If you get a blue crystal, Magic Stock (blue) increases by one.

## ● Magic

Releasing A button after holding it for a while launches magic.

- When magic stock is red, you can make a powerful attack - Fire Dragon

- When magic stock is blue, you can make continuous attacks - Thunder

One day, dark undulation interfered in the Prism of Brightness, and started to absorb the light in the whole world. After that, dark nights continued and people lived day in day out with anxiety.

Here was a witch who was not interested in the everlasting night at all. One day, she met a fairy called Silk.

"Please help us. Monsters of darkness are invading our world."

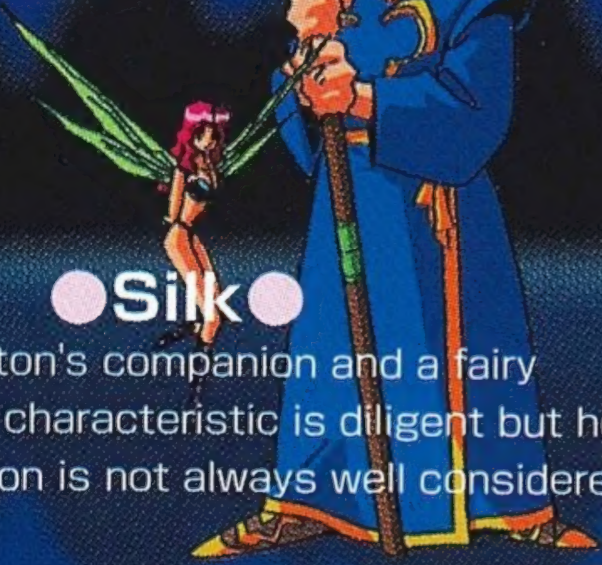

Cotton was very pleased when she heard that she would get "WILLOW" if she could beat bosses.

She moves ahead to the "door of dimensions" but that the monsters have already invaded area.

### ● Cotton ●

A little witch who loves "WILLOW" very much.

She is a little bit selfish but precocious.

### ● Silk ●

Cotton's companion and a fairy. Her characteristic is diligent but her action is not always well considered.

### ● Velvet ●

The queen of Filament. She protects the Prism of Brightness in the Filament, Land of Fairies, where the Prism of Brightness was kept.
